

What are our plans

Short-range: We own 5.7 acres at **267 Marion Oaks Drive, Ocala, FL 34473** on which we hope to build our first building of about 4,000 square feet in 2021. Towards that goal we have raised about a third of the funds needed, and cleared much of the land.

Long-range: We plan to build a Christian School to build generations of young men and women with a heart for Christ, mind for truth and a Christian worldview that would serve the Marion Oaks and surrounding communities.

How can you help

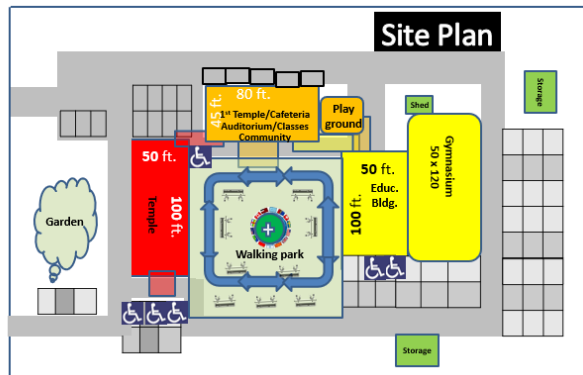

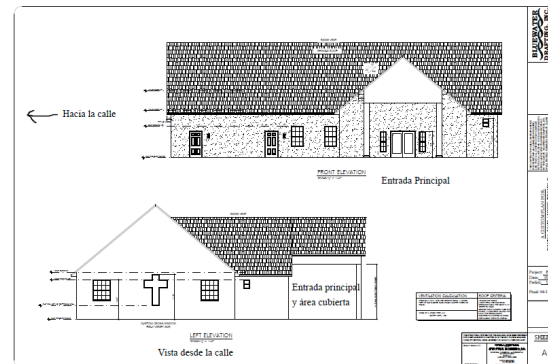

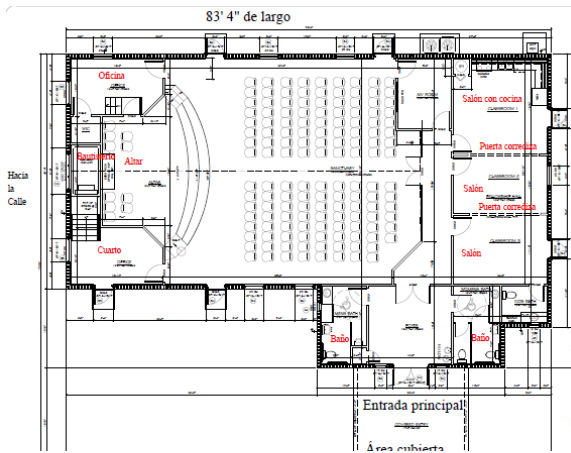

First and foremost through prayer. We wish to be within the will of God in all that we do and that we honor him. We actively seek His guidance in all the plans and vision for the future. Secondly, donations can be made through Paypal at our website:

<https://Helpbuildourchurch.com> or mailed to : P.O.Box 770293, Ocala, FL 34477

Lastly, any technical or material (construction) assistance is welcome as well. Since July, 2021, We are members of the denomination: *Iglesia Evangélica Discípulos de Jesucristo* (Evangelical Church of Disciples of Jesus Christ) and under their non-profit status (IEDJ.org).

About us

Iglesia Cristiana Fe y Esperanza (Faith and Hope Christian Church) is a small Hispanic church (about 40-50 in Sunday attendance) that was founded in August of 2006 in the Marion Oaks community of Ocala, Florida by John and Millie Quiñones in their home.

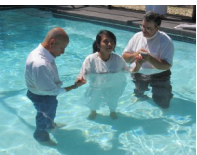

Since 2007 we have been renting space at the Community Congregational Church of Marion Oaks. (15050 29th Terr., Ocala, FL 34473).

Some churches “market” themselves as being in some way

different or better than others. But our philosophy is that we are a part of the larger Body of Christ, that—despite our denominational differences—we support, serve and honor those congregations. Like most churches, we have celebrated countless weddings,

child dedications, Sunday School classes, baby showers, birthdays baptisms and anniversaries as well as supported many through hospital/nursing home visits, funerals,

crises and financial need.

We take seriously our obligations to serve the community that we are a part of—not just merely worship here—but to be “salt and light” in real and tangible ways. As a Hispanic church we also have the unique need to serve differing generations of Latinos—so we are a bilingual church.

Much like the church of Philadelphia (Rev. 3:8), we may be small or of little strength but we have sought to obey His word and trust that He has an open door of ministry opportunities for us in the future.

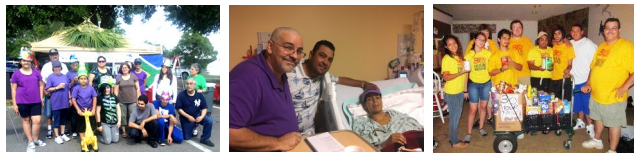

Why support us

Some of the ways in which we have served **our community in the past 15 years:**

*Immigration legal ministry and ESL classes

*For years we participated in the American Cancer Society’s Relay for Life, World Vision’s 30 Hour Famine, and maintained a very active Benevolence Fund (Pastor even shaved his head and painted his pickup purple too).

*For many years we practiced the 5th Sunday offering: all offerings collected on the months with a 5th Sunday went to a local or national Christian ministry or mission.

*Translation services, donations and assistance to clients at our local Domestic Violence shelter.

*Donations to (Women’s assistance with children) and participate in protests against the local abortion clinic (which was closed down).

*Services with the homeless

*Work with Youth: Community Service projects and counseling with at-risk youth

*Participation in Prison Fellowship’s Angel Tree program and Operation Christmas Child Shoeboxes.

Some of the ways in which we have served **our church community:**

*Assistance to other churches – donations to building funds, lending equipment/baptism robes, donations to food pantries, advice and workshops, Pastoral Installation services, etc...

*Missions – planted a church in Cienfuegos, Cuba; donations to churches in Mexico, Cuba, Guatemala and El Salvador; preached in Guatemala.

*Sponsor and give Bible Institute classes through the *Instituto Teológico de Ocala*.

*Provide resources for theological education to Latin America through our *mybibleteacher.net* website.

*Annual National Day of Prayer and Marches for Religious Liberty

*Filed (and won) a lawsuit to open our local Community Center to churches (2006).

*VBS and active children’s ministry

*Weekly Radio ministry and other outreach activities
